

SREE NARAYANA MISSION (SINGAPORE) 12 Yishun Avenue 5, Singapore 768992

Company Description

A leading VWO that provides social and community services for the benefit of the aged sick and the needy regardless of race, language or religion.

Social Worker (Nursing Home)

Job Responsibilities:

- Collaborate with a multi-disciplinary team to regularly review individual residents' medical, nursing, therapy, and social aspects as part of delivering person-centric care.
- Provide financial counselling prior to admission
- Co-ordinate an assessment on site of the patient to assess nursing/rehab status/behavioural and any social concerns
- Provide therapy/nursing/medical/social recommendations and support family and resident to complete home discharge or other care options
- Review supporting documents for referral to other care options and seek financial assistance for home equipping as recommended by the therapist where required
- Provide counselling to patients with psychosocial issues
- Work with resident or next-of-kin on financial considerations (e.g. Government Means Test subsidy)
- Review cases and facilitate meetings for Medifund cases
- Apply for financial assistance (e.g. Means Test, Medifund, IDAPE, ELDERSHIELD, MFEC) Reports
- Update residents' profile and movement in database
- Review next-of-kin details and update residents' social report

Job Requirements:

- Minimum Degree in Social Work.
- At least 2 years of experience as a Social Worker in a Restructured/Community Hospital or Nursing Home.
- Ability to converse in local languages so as to be able to communicate with residents and next-of-kin.
- Keen to work in eldercare sector.
- Team player with good interpersonal, organisational and communication skills.
- Accredited with Singapore Association of Social Workers (SASW).
